Headquartered in Heraklion since 1989, **Wild Nature** is a Greek Travel Agency through Internet (License no:10-39-E-70000-100-700 / Greek National Tourism Organization) specializing in **Ecotourism and Outdoor Activities** in Crete.

Since 2009, Wild Nature has also been operating as an **Ecotourism Camp** (class B) in the mountainous area of Amari valley, namely in Meronas, Rethymnon (License No 1344-14-0017 / Greek National Tourism Organization). This camp works exclusively along the lines of ecotourism, offering programs with varying ability levels.

Wild Nature works with **individuals** and small **organized groups**, whose maximum number of participants depends on the kind of activities.

Wild Nature programs for 2020-2021 cover various forms of Ecotourism and Outdoor Activities, such as :

1. a series of **excursions** from the Wild Nature Eco-Lodge Camp in Meronas, located in the western part of the Amari valley, west of mount Psiloritis

2. a series of **Outdoor Activities all over Crete**, such as trekking, biking, sea kayak and corporate events.

Most programs of Wild Nature are promoted by various tour operators and travel agents.
